Buyer and Seller agree as follows:

1. A \$200 nonrefundable deposit is due to have your name put on the waiting list. Puppies will be picked in the order that I have received deposits. If Buyer's choice of color/sex was not produced, buyer will wait until the next litter for a puppy if they do not want the available color/sex from the first litter.
2. All cost associated with puppy are paid in advance prior to shipping of the puppy. If all funds are not received by the time the puppy is 8 weeks of age the buyer forfeits all rights to the puppy and the puppy will be sold to another waiting party. Seller will retain all funds paid to date.

3. Puppy is believed to be in good health and will be up to date on vaccinations and worming by the time it is picked up by the new owner.
4. For purposes of this agreement, buyer, at buyer's sole expense, may have the puppy examined by a veterinarian of buyer's choice. If the veterinarian discloses in writing which is signed by the veterinarian and provided to the seller, any problem with the health or temperament of the puppy within 72 hours of signing of this contract or receipt of puppy, buyer may be eligible to return puppy, at buyer's expense, for a partial refund of the purchase price (\$200 of the purchase price is considered a deposit and is non-refundable), less any shipping expenses paid by seller. Thereafter, buyer's right to refund, as set forth in this paragraph, will terminate. Seller is not liable for any costs incurred by buyer for any treatment rendered as a result of said problem.
5. This Bill of Sale and Purchase Agreement, as well as those documents that have been incorporated by reference therein, represent the entire agreement between buyer and seller. No agreements or promises, verbal, written, implied or otherwise are intended or included unless specifically set forth in this written agreement.
6. Buyer is aware of the risks and responsibilities of owning, raising, and caring for a puppy as well as those risks and responsibilities of owning and caring for an adult dog. Buyer also understands that seller has socialized puppy, the buyer must maintain socializing throughout puppy's lifetime, and that seller offers no further guarantees on temperament of puppy.
7. Buyer agrees to maintain puppy in good health by providing preventative health care, including, but not limited to, vaccinations and treatment for parasites.
8. Buyer understands and agrees to hold seller harmless from any and all claims resulting from injuries, losses and damages of any kind, including, but not limited to direct, special or consequential, which may arise out of, or result from, any act of puppy and/or buyer.
9. This contract applies to the parties described herein and is not transferable to any other party.
10. Buyer and seller agree that in any legal action or proceeding arising out of this agreement, the prevailing party shall be entitled to recover reasonable attorney's fees and costs.
11. Should either buyer or seller take any legal action to enforce any part of this contract, action shall be initiated in the state of Idaho, Bonner County.
12. We sell open and closed registration. Open registration means you have full breeding rights. Closed registration means your puppy is registered but all offspring from your dog can not be registered. We charge more for open registration.
13. The buyer hereby agrees that if at any time the buyer cannot take proper care of the puppy/dog or unexpected life event come up; the buyer MUST contact me (Vicki Long) the Breeder. The breeder will have the choice to either (a) take the puppy/dog back or (b) assist the buyer in finding a suitable home for the puppy/dog. No refund is guaranteed.
